## MAYES, Ben

I am a young owner/occupier in Wembley on the north side of Grantham St.

I'm passionate about protecting our homes, local parks and small businesses, improving access in and around West Leederville & Wembley, and restoring your trust in council.

As your local community advocate, I'll work towards:

- Prioritising accessible toilet facilities at Lake Monger
- Strategic review of street parking
- Fixing traffic problems on Railway Pde, Cambridge & Grantham Sts
- Preserving tree canopy & green open spaces
- Responsible development in line with approved planning frameworks
- Keeping rates low

Residents know their local community best – that's why I'm committed to listening to your concerns and ensuring your voice is heard.

Thank you for your support & please feel free to get in touch. Every vote counts.
