**LENNIE, Edward**

As a resident of Wembley Ward its "Time for Change" My background is in Engineering but have been involved with the State & National Sports Administration (Football Association) for over 25 years. I have represented my country in major football competitions, Olympic games 96 and the World Cup 98. Was awarded the OAM for service to Football & Community. I am working in the community as a Justice of the Peace. Now semi-retired I can focus on how I can add value to the TOC and to represent your voice in the Wembley Ward. Its no secret that the TOC has been in damage mode for the past few years and change is needed. Please be assured if elected that my vote at council will be in the best interest of the TOC and the ratepayers of Wembley.
