8. I confirm that I am a resident of the above address and all information provided above is true and correct. I have read and understood the 'Conditions Governing Visitor and Residential Permits' on the rear of this document.

Signature: Date:

CONDITIONS GOVERNING VISITOR AND RESIDENTIAL PERMITS

Permits are issued subject to the following conditions:

1. Parking permits are only valid until the date of expiry specified.
2. Residential permits must be affixed to the lower left hand corner of the vehicles' windscreen, thus ensuring its visibility to an Authorised Officer from outside of the vehicle.

Visitors permits must be clearly displayed on the dashboard with all details visible.

Infringements will be issued if a permit is not clearly displayed.
3. Permits do not guarantee a parking space in the road/street shown thereon. Visitors to a resident's property must park in the street that the permit is issued to, and no more than 150 metres from that property. Council would deem this to be 'Reasonable Distance'.
4. The permit may only be used for:-
 - (i) parking on the road designated on the permit, except on occasions nominated by the Council,
 - (ii) parking on the verge of the property designated on the permit, unless parking is prohibited by a sign.
 - (iii) parking on the road or verge for periods up to 24 hours only.
 - (iv) parking in locations in which signage states "*residential parking permits excepted*".
5. Permits are not valid in the following areas, unless signage indicates otherwise:

• Time Restricted to 30 minutes or less	• Loading Zones
• Ticket Parking Areas	• Footpaths or Crossovers
• No Standing Zones	• Laneways
• No Parking	• Outdoor Dining Areas
• Clearways	• Bus or Taxi Stands
6. Special areas have been set aside for residential and visitor parking. Permits are only valid in those areas. Vehicles displaying permits outside of these special areas will be subject to the restrictions governing the section of road in which they are parked.
7. Permits are only considered valid if the person who applied for the permits resides at the premises. New residents should apply for parking permits as soon as possible.
8. Permits will not apply until displayed on the designated vehicle.
9. The Town's Rangers do not have a system available in which to recognise a residents' vehicle whilst out in the field. The only way to identify your vehicle as belonging to a residence is to clearly display a parking permit.
10. Should a permit become faded or damaged, a replacement can be made free of charge upon receipt of the faded or damaged permit.

Replacement of lost or stolen permits incur a fee of \$25 per permit. Stolen permit replacements are free of charge when a relevant Police report is produced.

Permits must not be altered, duplicated or photocopied. An infringement for the following offence "6.7, Use of a counterfeit or altered parking permit" with a penalty of \$500.00 may apply.
11. Permits are not transferable between properties.
12. Permits are not to be sold or leased to any third party.
13. Permits are not issued to business or commercial premises.
14. Vehicle registration papers must be sighted prior to issue of the residential permit/s for all new vehicles.
15. Temporary permits may be issued if you are having a function. Please advise the Town via email (mail@cambridge.wa.gov.au) with sufficient notice to issue temporary permits when required. Rangers may check to verify if you are holding a function. Misuse of the temporary permits will result in the permits being revoked on the spot and an Infringement Notice being issued on the offending vehicles.
16. Council reserves the right to revoke permits at any time when a breach of these conditions is observed.
17. Should you have any queries regarding permits, please contact Ranger Services on 9347 6000.

Applicants should provide all relevant documentation in person to the Town of Cambridge at 1 Bold Park Drive, Floreat, or via email at mail@cambridge.wa.gov.au.
