ABOUT OUR LOGO

The swan is representative of our state of Western Australia, and particularly of our very own Lake Monger. The graceful arc of the swan's neck, integrated with the letter "C" is distinctive in its representation of the Town of Cambridge. The swan is centred in a diamond shape that symbolises prosperity. The upper green triangle denotes our beautiful parks with the peak representing Reabold Hill. The lower blue triangle represents our ocean and lakes. On a broader scale, the colours of blue and green represent strength and reliability. The logo is contemporary in design whilst maintaining a classical appeal.
